SEC. OFFICE OF THE DEWAN OF MYSORE,
Dated Bangalore, 4th November 1897

From

The Secretary to the Government of Mysore,
General and Revenue Departments.

To

The First Assistant to the Resident in Mysore,

Sir,

I am directed to acknowledge the receipt of your letter No. 4552, dated 1st instant (with its enclosures), and in reply to state that competent Medical Officers as per margin have been appointed Inspecting Officers at the Harihar and Yesvantpur Railway Stations.

Harihar
1 Sub-Assistant Surgeon + 1 H-a/M
2 Lady Apothecary.

Yesvantpur—
1 Assistant Surgeon assisted by Hospital Assistant.
2 Lady Apothecary,

2. On receipt of a Notification from the Resident amending para 2 of his Notification No. 762, dated 25th February 1897, so far as it relates to the two places mentioned above, the Durbar will proceed to issue a Notification amending their own Notification No. 336A, dated Camp Mysore, 8th March 1897, and embodying therein the alterations made in the Resident's Notification No. 4519, dated 29th October 1897.

3. Under instructions from the Durbar, the Senior Surgeon has issued orders directing a more thorough examination of passengers at Harihar and Yesvantpur than hitherto.

4 If, during the course of such inspection, any person be found to have come from an infected locality and to be proceeding to an address in the Civil and Military Station, the Inspecting Officers have orders to communicate full particulars atonce and by wire to the Residency Surgeon, as desired in para 3 of the letter under reply. Orders have been also issued for telegraphic intimation to the nearest Medical and Civil authorities being given of all persons from affected localities proceeding to any place within the State.

5. The Senior Surgeon has arranged to discontinue the segregation camp at Yesvantpur, the City Chattram Hospital on the Magadi Road being in future used as a segregation camp for all persons suffering or suspected to be suffering from plague as well as for those who have come into contact with such persons.

6. The Civil Surgeon, Bangalore, has been appointed Health Officer and under his orders special arrangements similar to those ordered for the Station will be made in the City for visiting daily all arrivals from plague-infected parts of India until all fear of the introduction of the disease by such persons shall have ceased And local medical and civil authorities all over the State will carry out similar arrangements within their jurisdiction.

7 A copy of para 8 of your letter No. 4522 dated 29th October 1897 to the District Magistrate and President Municipal Commission, Civil and Military Station, Bangalore, regarding the precautions to be taken in respect of the examination of females has been for-

8. I am in conclusion to invite the attention of yourself and all officers and officials working under you in these important preventive arrangements as well as subsequently should the Bubonic Plague unfortunately appear here, to the paramount importance of respecting the susceptabilities and privacy of females. No Zenana quarters should be entered except by one of the nurses and no gosha or caste women should be touched or examined in public or by any one except by a nurse.

arded to the Senior Surgeon for adoption so far as the same may be applicable on the Railway.

8. Fifty copies of further Notifications Nos. 4973—Mis. 960 and 4974—Mis. 961, dated the 4th November 1897 issued by the Durbar under the Mysore Epidemic Diseases Regulation, are herewith forwarded.

I have &c.,

C. SREENIVASIENGAR,

Secy. to Govt., Gen. & Rev. Depts.

OFFICIAL MEMORANDUM No. 4976-85—Mis. 962,
dated 4th November 1897.

Copies of the above are forwarded to the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, to the Inspector General of Police in Mysore, and to the Deputy Commissioners of Districts, for information and guidance with the following directions. —

2. The Senior Surgeon is requested to at once make the necessary arrangements and issue all needful instructions.

3. A literate constable should be told off for plague duty at every station on the Bangalore-Nanjangud line in the same way as on other lines in the State.

4. The telegraphic intimation referred to in para 4 of the letter to the First Assistant Resident should be given by the Inspecting Officers concerned to the Health Officer or Assistant Health Officer as regards persons proceeding to the Bangalore City and to the Mysore policeman on Plague duty at all other Railway Stations in the State as regards persons proposing to alight at such stations. The policeman receiving intimation as above, will take all further needful action, such as communicating the information to the nearest Medical and Civil authorities in view to the movements of the persons concerned being watched and the needful done to prevent the introduction of the plague.

5. An advance of Rupees one thousand will be placed at the disposal of the Senior Surgeon to meet the expenses connected with the arrangements ordered above including the payment of telegraphic charges for intimations to be given by Inspecting Officers.

6. The Comptroller will further place at the disposal of each Deputy Commissioner an advance of Rupees one hundred to meet expenses if any, in connection with the precautionary measures to be adopted in his District.

7. The Deputy Commissioner of the Chitaldroog District will arrange for travellers coming to Harihar by road from the infected parts being properly watched.

By Order

C. SREENIVASIENGAR,

Secy. to Govt., Gen. & Rev. Depts.
